

# DUAL CLUTCH TRANSMISSION FLUID DATA SHEET

Check with Beck

**DC-1**

**252-5000**

Beck/Arnley Premium Quality Dual Clutch Transmission Fluid (DC-1) is a semi-synthetic gear oil designed for the demanding anti-wear and friction behavior requirements of Audi and Volkswagen's DSG transmissions.

- ATF DC-1 Dual Clutch Transmission Fluid provides slip-free high torque transmission shifts
- Specific to vehicles requiring Audi and Volkswagen's Direct Shift Gearbox (DSG) Oil
- The special base oil matrix provides stable friction level and maximum wear protection
- Superior shifting performance experienced during everyday and performance use

Always check owner's manual for proper application.

## FORMULATED FOR OE REFERENCE NUMBER

|            |              |
|------------|--------------|
| AUDI       | G 052 182 A2 |
| VOLKSWAGEN | G 052 182 A2 |

## UNIT SIZE PART NUMBER

|                    |          |
|--------------------|----------|
| 1.06 QT. (1 LITER) | 252-5000 |
|--------------------|----------|

## ATTRIBUTES

|                    |                        |
|--------------------|------------------------|
| APPEARANCE         | Amber                  |
| FLASH POINT        | >200°C/>392°F          |
| VISCOSITY AT 40°C  | 39.7mm <sup>2</sup> /s |
| VISCOSITY AT 100°C | 7.9 mm <sup>2</sup> /s |
| DENSITY AT 15°C    | 0.840 g/ml             |

Braking | Engine: Electrical | Engine: Mechanical | Fluids | Steering/Suspension/Driveline
